About

My Graduation MBBS- from Rajshahi Medical College and University Hospital, FCPS (Fellow of College of Physicians and Surgeons)- from Bangladesh and FACS(Fellow of American College of Surgeons, USA). I have been working in teaching posts, joined as Medical Officer of Surgery in Bangabandhu Sheikh Mujib Medical University in Bangladesh. I was promoted as Assistant Prof. of Surgical Oncology in 2014. Again promoted as Associate Professor of Surgical Oncology in 2018. All these years I shared my knowledge and experience excellently with my post graduate students of various courses of surgery and Allied surgical discipline. I am a course manager of MS Residency program of University. I supervise trainees receiving training under me, regular Examiner of Graduate (MBBS) and Post graduate (Master of surgery)

and FCPS (Fellows of Surgery) Examination. My scientific publications out of 21 included 16 publications in relation with Cancer in both National and international journals. I participated 53 National and international conferences as a Speaker/Pannelist/Faculty
